CylancePROTECT + Optics

Carahsoft GSA contract number GS-35F-0119Y - Please reference contract number on purchase order.

1) 044754	CylancePROTECT+ Optics - #PO-D-12-NA-SLE Cylance: #CYOM-PO-D-12-NA-SLE	800.00	\$18.93	\$15,144.00
--------------	--	--------	---------	-------------

One Year Includes:

#CYOM-PO-D-12-NA-SLE

Cylance Optics Includes:

- * *World-class pre-execution protection that suppresses incident response needs*
- * *No additional AV agent needed since CylancePROTECT is the world's only non-signature AV replacement*
- * *AI and Machine learning replace the need for armies of incident responders so only meaningful alerts signal call for action*
- * *Endpoints are self-contained and not required to send massive amounts of confidential information to the cloud*
- * *Any system or OS object can be used to build relationships*

CylancePROTECT Includes:

- * *CylancePROTECT is a lightweight endpoint security product which provides execution control based on advanced threat detection algorithms leveraging machine learning techniques.*
- * *CylancePROTECT incorporates execution control through kernel modules to address threat tactics and is designed to integrate with existing software management systems to simplify deployment while offering flexible control from a cloud based management platform.*
- * *CylancePROTECT comes with an annual subscription to Cylance s Alert Management Service (AMS).*
