Rockdale County Fire Marshal’s Office
Compliance Inspections/Move in as-is/ Change in Name or Ownership Inspections

In an effort to improve customer service, Rockdale County Fire Marshal’s Office would like to provide you with a list of items to expedite the process of obtaining your business license. Please address these items prior to the fire safety inspection to avoid having to schedule follow-up inspections which would extend the time needed to obtain your license. This will not apply when there is a change of occupancy classification in the Life Safety Code or the IBC, occupancies requiring architectural plans pursuant to OCGA Title’s 25 or 43, or if construction is taking place.

- Address/building numbers are 4” high and plainly visible from the street
- Existing exit lighting is properly illuminated and battery backup operates properly.
- Existing Emergency lights have been tested and are operable.
- Fire extinguishers, with proper rating and current certification tag, are properly mounted.
- Key locks, padlocks, & dead bolts removed from exit doors. Only thumb turn or push-to open locks in compliance of the Life Safety Code are allowed.
- Means of egress is unobstructed and doors operate freely.
- Floor arrangement and equipment layout within office spaces and warehouse spaces shall meet proper widths, common paths, travel distances, and hazard commodities for the specific occupancy/building design.
- Existing fire rated walls and penetrations are properly sealed and fire stopped.
- Electric Panel has 36” X 30” clearance from combustibles or obstructions.
- No exposed wires, extension cord wiring; electrical receptacles and light fixtures are properly mounted in walls and ceilings
- No storage in the electrical room or near gas fueled appliances.
- Storage maintained a minimum of 2’ below ceiling in non-sprinkled buildings and 18” in sprinkled buildings.
- Confirmation of “as-built” drawings being consistent with the location.
- Confirmation that no construction is taking place.
- Verification that no change in occupancy classification or sub-classification pursuant to Georgia Fire Safety Rules and Regulations has taken place.
- Current annual Sprinkler inspection has been conducted and properly tagged (if applicable).
- Current annual Fire Alarm inspection (if applicable).
- Current 6 month Fire Suppression System inspection report, with tag properly documented.

When all applicable items have met compliance, the tenant shall contact the Fire Marshal’s Office to schedule an inspection (770-278-8401). The Fire Inspector will complete a “Permitted Use Inspection Form” and gather all information pertinent to the New Tenant. The tenant will return the signed Permitted Use form to the Planning & Development office to complete the licensing process.

The inspection items listed are not inclusive of every scenario that can be addressed. Inspectors will work with customers to address any issues specific to their situation.
