Keep Conyers-Rockdale Beautiful Host Bring One for the Chipper Program

CONYERS, Ga. – Keep Conyers-Rockdale Beautiful (KCRB) and the Conyers Home Depot will join together to host the Bring One for the Chipper Program in Rockdale at the Home Depot, 1330 Dogwood Drive, Conyers on Sat., Jan. 6 from 9 a.m. – 1 p.m.

A program KCRB once offered is now back to help the citizens of Rockdale return their homes to order after the Christmas holiday. The Chipper program offers citizens the opportunity to dispose their cut trees at a central location in the community, while recycling the trees for reuse for a good cause.

Across the state, thousands of volunteers in hundreds of Georgia's communities come together for the Chipper event. Since its inception in 1991, more than 25 years ago, the program has collected more than 6 million trees for beneficial reuse. The mulch from these trees has been used for playgrounds, local government beautification projects and individual yards.

For more information on this or other community recycling projects, contact Keep Conyers-Rockdale Beautiful, at 770-278-7052 or by email at kcrb@rockdalecountyga.gov.
