### **KCRB Spring Paper Shredding Event A Success**

CONYERS, Ga. – The Spring Paper Shredding event that Keep Conyers-Rockdale Beautiful (KCRB) sponsored was a huge success with the help of volunteers and A Cut Above, who served as this spring event vendor.

The first of two Paper Shredding and Electronics Recycling events for 2018 was held on Sat., Jun 23, at the Government Annex at 1400 Parker Road. This event drew nearly 80 cars through the line to shred sensitive documents onsite within the four-hour time span of the event.

According to A Cut Above, who served as the paper shredding vendor, nearly 3 tons of paper was shredded during the event. With shredding important documents being the main attraction of this event, so much paper was shredded that the service truck was full to capacity

KCRB will host the next Electronics Recycling and Paper Shredding event on September 8 2018, the event is usually held annually. The County will promote the event at least one month in advance on its website, in local newspapers and magazines, via the County's social media channels and email blasts, and on Rockdale County Comcast Cable Channel 23, among other promotional avenues.

For more information on KCRB and KCRB events, please email [kcrb@rockdalecountyga.gov](mailto:kcrb@rockdalecountyga.gov) or call 770-278-7052.
