Citizens Can Now Livestream Rockdale 23 from the Rockdale County Website

ROCKDALE COUNTY, Ga. – The Rockdale County Department of Public Relations and Rockdale 23, government access channel, announce that citizens can now stream Rockdale 23 live from the Rockdale County website.

Since the channel's inception, only citizens with the Comcast cable service could watch the lineup scheduled to Rockdale 23. The streaming service offers an alternative for those without Comcast cable.

Citizens and stakeholders can access the Rockdale 23 Channel stream from the homepage of the www.rockdalecountyga.gov website and selecting the "Watch Live 23" icon or going to the link: <https://rockdalegov.viebit.com>. Videos can also be accessed on demand at <https://vimeo.com/rockdalegov>.

For more information or questions contact the Public Relations Department at 770-278-7050.
