Addendum No. 1

RFP No. 19-28

Fire Reporting Software for Rockdale County Fire Rescue (Re-Bid)

November 12, 2019

RFP #19-28 is hereby amended as follows:

1. **Below are questions received and corresponding answers:**

   A. **Question**: In an email dated August 22, 2019, Rockdale County explains that they retracted the original RFP (#19-20, Fire Reporting Software) stating the following:

   "Rockdale County received three (3) proposals for RFP #19-20 – Fire Reporting Software. The Request for Proposal required a bid bond and only one (1) vendor submitted one. This would mean that only one (1) bid would be responsive. With only one (1) bid, that makes the bid results non-competitive. It is more advantageous for Rockdale County to have multiple software proposals to evaluate. After further review and research, it has been determined that a bid bond, payment & performance bond are not normally required for small dollar software projects. We will be putting the RFP back out for bid. If you are still interested in submitting a proposal, you will need to resubmit your proposal package on the new date and time that will be in the RFP package. We will notify you when it is out on the County website for downloading."

   This revised RFP states the exact same criteria around bid bonds. The county has already stated in the previous letter that “bid bonds, payment & performance bond are not normally required for small dollar software projects”.

   Please clarify the statements in the RFP requiring bid bonds.

   **Answer**: There will be NO bonds required for this request. Disregard any requirements in the bid documents for bonds.

   B. **Question**: Does Rockdale County Fire provide or receive “mutual aid” assistance from any neighboring counties or other fire agencies? Can you provide a list of those agencies?

   **Answer**: Yes. Rockdale gives and receives mutual aid from agencies.

   Henry, Walton, Dekalb, Newton, Covington, Gwinnett, and Ga forestry.
2. All other conditions remain in full force and effect.

3. If a proposal has been submitted and anything in this Addendum causes the bidder to change the item offered or to increase or decrease the proposal price, the new price and/or changes will be inserted below:

______________________________________________________________________________

4. All bidders under this Request for Proposals are kindly requested to acknowledge receipt of this Addendum on Page 17 of the Proposal Form.
