Addendum No. 3

RFP No. 20-03
RENOVATIONS TO THE ROCKDALE WATER RESOURCES CONVENIENCE CENTER

February 20, 2020

RFP #20-03 is hereby amended as follows:

1. Below are questions received and corresponding answers:

   A. Question: Are we to include demo of existing low-voltage cabling and equipment? If so how much cabling equipment needs to be demo?

      Answer: Yes. Demo all existing cabling and equipment.

   B. Question: I'm currently pricing all Cat6 cabling as certified tested. This is a higher cost than regular port map testing. Just making sure this is specified as certified.

      Answer: All new cabling shall be certified tested Cat6

   C. Question: Is there to be any cabling for the conference table in room 220?

      Answer: No.

   D. Question: Where is the conduit chase from Entry Level to Lower Level for low-voltage cabling pulls? (ex. Closet 107 or Closet 108)

      Answer: There are visible floor penetrations without conduit chases on lower level. Utilize the Open House time allotment to further investigate.

   E. Question: I'm currently pricing the door controller to be installed in the network cabinet we are providing. Is this the desired location?
Answer: Door Controllers require its own enclosure in proximity to the network cabinet.

F. Question: Where are the cameras located for installation?

Answer: There are four locations: Entry Level Lobby Dome Cam Interior, Drive thru Area Ceiling Fisheye 360 Dome Cam Exterior, Lower Level Entry Stairwell Interior, Lower level Side entry Interior Dome Cam.

2. All other conditions remain in full force and effect.

3. If a Proposal has been submitted and anything in this Addendum causes the bidder to change the item offered or to increase or decrease the Proposal price, the new price and/or changes will be inserted below:

______________________________________________________________________________

4. All bidders under this Request for Proposal are kindly requested to acknowledge receipt of this Addendum on page 16 of the Proposal Form.
