Equipment Request Form

Date 1-17-2020

New [✓] Replacement [ ] (Check One)

Requested Equipment Information:

Year 2019-2020

Make Boom lift

Model 40' reach

Please attach quote.

Fund and Function for Fuel/Maintenance Charges (for example: 100-1510) 505-4430

Location where equipment will be housed Water Treatment Plant

If this is New please provide justification. Attach extra sheet if necessary.

This lift will be used to make repairs to outside lighting, Tank Maintenance, Roof Maintenance, Intake. Will be used at other tank sites for cleaning of tanks buildings. Trolley sites to repair antenna's. We have many fans on the roofs of the buildings and motors on tanks located at the plant, as well as many lighting fixtures located on poles and on the sides of the buildings at the plant that need to have bulbs changed often and we have to rent a lift and try and work it into our schedule.

If this is a Replacement, please provide equipment to be replaced/surplused:
