Conyers-Rockdale Economic Development Strategy Steering Committee Asking for Public Input

ROCKDALE COUNTY, Ga. – The University of Georgia, along with Rockdale County Government, the city of Conyers, and the Conyers-Rockdale Economic Development Council, is asking Rockdale County residents to submit feedback on the future of economic development in the community.

The input will be used by the Conyers-Rockdale Economic Development Strategy steering committee to develop the community's economic development strategic plan. There are three ways residents can give their input: two live virtual events and the online feedback form. Residents will only need to participate in one of the three options.

The first virtual townhall will take place on Monday, July 13 from noon to 1:30 p.m. and the second virtual townhall will take place on the same day from 7 p.m. to 8:30 p.m. Preregistration is required.

Lastly, residents can provide their feedback by filling out the online feedback form.

To fill out the online feedback form and to preregister for both virtual events, residents can visit the link below:
