

AN ORDINANCE TO AMEND THE CODE OF ROCKDALE COUNTY, GEORGIA, TO AMEND CHAPTER 66, OFFENSES AND MISCELLANEOUS PROVISIONS, TO ENACT AN ORDINANCE ADDRESSING THE WEARING OF A FACE COVERING OR MASK WHILE IN PUBLIC PLACES, AND FOR OTHER PURPOSES.

WHEREAS, as the Governing Authority of Rockdale County, Georgia, the Board of Commissioners, pursuant to the home rule powers of the Georgia Constitution to enact ordinances, rules, and regulations that are reasonably necessary to protect the health, safety, and welfare of its citizens; and

WHEREAS, the World Health Organization has indicated that COVID-19 is spread primarily by respiratory droplets expelled when an infected person coughs, sneezes or speaks; and

WHEREAS, the Centers for Disease Control (CDC) have advised it is possible that as many as one in four people who are infected with COVID-19 show no symptoms, and that people who do not experience symptoms can spread COVID-19 to other individuals; and,

WHEREAS, the CDC has stated that people infected with COVID-19 are contagious before they start showing symptoms, and that individuals who are infected can spread the virus to others before the onset of symptoms; and,

WHEREAS, based on evidence that people experiencing no symptoms can spread COVID-19, the CDC recommends that all persons over the age of (2) two years wear face coverings in public and when around people of separate households, particularly when other social distancing measures are difficult to maintain; and,

WHEREAS, Governor Brian Kemp has ordered that “Code Section 16-11-38(b)(4) shall not apply to any person wearing a ‘mask, hood, or device by which any portion of the face is so hidden, concealed, or covered as to conceal the identity of the wearer’ if that person is wearing such device for the purpose of complying with the guidance of any healthcare agency or to prevent the spread of COVID-19.” See Executive Order 04.13.20.02; and,

WHEREAS, Governor Kemp has issued an executive order “strongly encouraging” the use of face coverings. See Executive Order 07.15.20.01; and,

WHEREAS, the guidelines promulgated by the White House on reopening America specifically call for a 14-day downward trajectory among other gating criteria, which guidelines are specifically incorporated by reference; and,

WHEREAS, the number of cases is growing rapidly and if COVID-19 continues to spread in the County, the number of persons needing medical attention and facilities could exceed available resources and the private and public sector workforce and economy will be negatively impacted; and,

WHEREAS, the purpose of face covering is to protect the public from the mask wearer inadvertently spreading the virus. As such, the use of face coverings is a matter of public health,

and individuals who do not use such coverings create a public safety hazard by potentially exposing others to the virus, meanwhile gaining the health benefit offered by others who utilize face coverings. Requiring the use of face coverings is therefore necessary to ensure the safety of all persons and to slow the spread of the virus; and,

WHEREAS, the public health crisis in Rockdale County Georgia is ongoing. As of August 7, 2020, there have been 16 deaths, 167 hospitalizations, and 1,221 confirmed cases in Rockdale County.

WHEREAS, this ordinance is authorized and specifically intended to comply with the Governor's Executive Orders regarding the public health crisis in the State of Georgia;
