This facility has been operating since September 1993 following the closure of the City/County landfill. All materials that can be recycled may be dropped off at no charge. No money is paid back for recyclable materials. A nominal charge is made for disposal of those waste materials that the County must pay a hauler to remove to a landfill. Payment must be made first by cash or check payable to Rockdale County. Credit cards are not accepted.

THE FOLLOWING ITEMS ARE ACCEPTED AT NO CHARGE

Aluminum cans, corrugated cardboard, glass food/beverage bottles (clear, green or brown), glossy magazine and catalogs, newspaper and advertising inserts, telephone and MLS books, plastic bottles/containers/jugs (#1 PETE and #3 HDPE), scrap metal, appliances (without Freon compressor), small yard waste and large woody debris with a limit of two loads per household per week, tin and steel food cans, wet-cell batteries (auto), waste motor oil, and auto, truck or farm tires with a limit of four tires accepted per household per week.

MULCH

Mulch is available to all Rockdale County and City of Conyers residents. Rockdale County reserves the right to limit the quantity of mulch available for private contractors in order to ensure that enough material is on hand for the citizens of Conyers/Rockdale County.

Loading: There is no charge to the homeowner for self-loading of mulch. On the first Saturday of each month, the Recycling Center staff will mechanically load mulch free of charge from 9:00 a.m. to 4:00 p.m. Mechanically loading on other days can be arranged by appointment. Unloading debris and loading mulch may be prohibited during inclement weather.

Sources: The mulch available free to citizens is derived by grinding all manner of yard waste and woody debris. Rockdale County does not warrant or guarantee that the mulch is completely free of foreign materials that might be considered contaminated by some purchasers' standards.
