AN ORDINANCE TO AMEND THE TEXT OF SEC. 206-1 (W-P WATERSHED PROTECTION DISTRICT) OF THE UNIFIED DEVELOPMENT ORDINANCE OF ROCKDALE COUNTY, AS AMENDED, REGARDING ORGANIC FARMING; TO REPEAL CONTRINGTING LAWS; AND FOR OTHER PURPOSES.

WHEREAS, Title 2 the Unified Development Ordinance of Rockdale County (Subpart B – Planning and Development of The Code of Rockdale County, Georgia), as amended, governs land use and zoning; and

WHEREAS, provisions within the Unified Development Ordinance do not address organic farming, thus require revision in order to create standardized regulations and criteria governing organic farming so as to strengthen the health, safety, climate, and welfare;

WHEREAS, Rockdale County desires to increase access to healthy, local and affordable foods; encourage community-building and support local agriculture and economic development; and

WHEREAS, the northern area of Rockdale County with its large undeveloped area provides an opportunity for producers of locally grown and raised food to directly reach residents without requiring that such products be sold in fixed location storefronts; and

WHEREAS, if locations where local food producers are allowed to sell directly to residents are permitted in locations that are zoned watershed-non reservoir area, close regulation of the use would be necessary to prevent the sale of other types of goods that could change the character of the use into a type of commercial venture that is inappropriate for the W-P watershed protection zoning district; and

WHEREAS, public hearings were held following public notice and all other requirements of Sec. 238-4 of the Unified Development Ordinance;
