Rockdale County Advises Drivers to Seek Alternate Route for Johnson Road

CONYERS, Ga. – Rockdale County is advising drivers to be prepared for detours and temporary road closures near the Johnson Road and Klondike Road intersection due to a Stormwater Management and Rockdale Department of Transportation (RDOT) project. Rockdale County is strongly encouraging drivers to seek alternate routes during the duration of this project. Stormwater Management and RDOT crews are expected to be working in the area for at least two weeks.
