Addendum No. 2

RFP No. 21-14
STANDBY CONTRACT: MONITORING AND CONSULTING OF DEBRIS REMOVAL BY A THIRD PARTY FOR EMA

August 11, 2021

RFP #21-14 is hereby amended as follows:

1. Below are questions received and corresponding answers:

   A. **Question:** The Local Vendor Preference Policy outlined in the RFP allows the County to favorably award extra points on the evaluation criteria for local vendors. However, according to 44CFR, 13.36(c)(2), grantees or subgrantees shall conduct procurements in a manner that prohibits the use of statutorily or administratively imposed in-State or local geographical preferences in the evaluation of bids or proposals. In order to comply with this federal procurement provision, will the County consider removing this preference from the solicitation?

   **Answer:** Please disregard this language in this RFP.

2. All other conditions remain in full force and effect.

3. If a proposal has been submitted and anything in this Addendum causes the bidder to change the item offered or to increase or decrease the proposal price, the new price and/or changes will be inserted below:

   ____________________________________________________________________________

   ____________________________________________________________________________

4. All bidders under this Request for Proposal are kindly requested to acknowledge receipt of this Addendum on the Proposal Form located in Addendum #2.
