CONTRACT TERM:

Therefore, 90 days prior to the end of the contract, the Contractor will advise the County in writing of their desire to renew the contract and will provide the County with an updated price list (this should be the same price list from the original bid with any necessary additions that became evident during the previous year’s operations). The County will review the price increases and if necessary, negotiate with the Contractor to finalize pricing. Once both parties have agreed to the contract extension pricing, the County will prepare an Amendment to the original contract outlining the extension period, the new pricing that has been approved by both parties, and any other changes to the contract that become necessary to improve the operational effectiveness of the Agreement.
