Addendum No. 3

ITB No. 21-31
REMOVE, REBUILD, AND INSTALL TWO (2) SERVICE PUMPS AT HIGHTOWER PUMP STATION

October 19, 2021

ITB #21-31 is hereby amended as follows:

1. Below are questions received and corresponding answers:

   **A. Question:** I noticed there are metal doors on the ground in front of the roll up door at the Hightower Pump Station. Will that support the weight of a large truck? If not, will a boom truck be provided by Rockdale County?

   **Answer:** The hatch that they are questioning is rated for (AASHTO H-20-wheel loading). We will be placing a steel road plate over this to help with heavy equipment traffic. RWR treatment plant maintenance personnel will set the plate for this work.

2. All other conditions remain in full force and effect.

3. If a Bid has been submitted and anything in this Addendum causes the bidder to change the item offered or to increase or decrease the Bid price, the new price and/or changes will be inserted below:

   __________________________________________________________________________

   __________________________________________________________________________

4. All bidders under this Invitation to Bid are kindly requested to acknowledge receipt of this Addendum on page 16 of the Bid Form.
