WHEREAS, said rezoning proposal was reviewed by staff and public hearings were held following public notice and all other requirements of Section 238-4 of The Unified Development Ordinance of Rockdale County, Georgia, as amended;

WHEREAS, the Future Land Use Map of Rockdale County’s Comprehensive Plan was amended to designate said property as High Density Residential, which pursuant to Section 202-6 permits the MRU (Mixed Residential Uses) Zoning District;

NOW, THEREFORE, be it ordained by the Board of Commissioners of Rockdale County, Georgia, and by the authority of same as follows:

Section I

The Official Zoning District Map for Rockdale County, as amended, is hereby further amended so as to rezone the 50.64-acre property, more particularly described in the legal description attached hereto as Exhibit “A” and depicted on the Zoning Plat attached hereto as Exhibit “B”, from the R1 (Single-Family Residential) and M1 (Limited Industrial) Zoning Districts to the MRU (Mixed Residential Uses) Zoning District.

Section II

The zoning amendment authorized in Section I is approved subject to all conditions, including any conditions of zoning, attached hereto as Exhibit “C”, which exhibit is hereby incorporated by this reference and applies to the 50.26-acre property. All permits issued pursuant to this change in zoning shall be in strict compliance with these
conditions, as well as all other applicable provisions of the Code of Rockdale County. The change in zoning hereby approved does not authorize the violation of any zoning district regulations.

**Section III**

The Official Zoning District Map of Rockdale County, Georgia, established as a part of the Rockdale County Zoning Ordinance, as amended, is hereby further amended to reflect the change in zoning of said property authorized in Section I, along with the conditions authorized in Section II.

**Section IV**

All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

That this Ordinance shall become effective upon adoption.

This ___ day of September, 2021.

Conditions of Zoning

1. The 50.26-acre site shall be developed in compliance with the proposed revisions regarding the Mixed-Residential Uses (MRU) Zoning District.

2. The Rezoning Site Plan prepared by Planners and Engineers Collaborative, dated March 26, 2021 and revised August 18, 2021, shall become the guiding layout and design. The actual location of the water quality area, detention, streets, sidewalks, amenity areas, and other depicted improvements shall be subject to actual site conditions and the requirements of the Code of Rockdale County.

3. The site shall be restricted not to exceed 316 dwelling units with no more than 249 townhome units and permitted accessory uses.

4. A minimum of 60 guest parking spaces shall be provided throughout the townhome side of the development.

5. All dwellings shall have 2-car garages.

6. All garage doors shall be “carriage style” and accent the adjacent building elevation.

7. Rear building elevations facing Old Covington Highway shall have vertical breaks that either protrude or recede a minimum of 1-foot for every 2 residential dwelling units per building.

8. All exterior lighting fixtures directly attached to the dwelling units shall be “carriage style” and compliment the building architecture.

9. The elevations shall be in compliance with those provided by the applicant attached hereto as Exhibit “E”.

10. The amenity areas shall include a minimum of swimming pool with cabana, walking trails, pocket parks, and a dog park. The cabana shall be constructed using exterior building materials that complement the adjacent residential structures. The amenities shall be in compliance with those provided by the applicant attached hereto as Exhibit “F”.

11. A 20-foot landscape strip adjacent to the Old Covington Highway Right-of-Way shall be provided. This 20-foot landscape strip shall be planted with street trees and shade trees on 50-foot centers (maximum) in a single row. All trees planted in this landscape strip shall be counted towards any Rockdale County required tree recompense credits or tree density units as mandated by the required development permit.

12. 5-foot-wide concrete sidewalks shall be provided along the Old Covington Highway Right-of-Way.

13. Where fencing is provided along a public street, it shall be a decorative metal or aluminum type materials that are a minimum of 4-feet tall. Masonry columns shall be installed every 100 feet (maximum spacing) along the proposed fence line, and are constructed with masonry materials consisting of Brick, Indigenous Rock, Natural Stone, Synthetic Stone, or a combination of the same materials.

14. A 30-foot replanted landscape strip with a 5-foot-tall wooden privacy fence shall be provided along the northern property line.

15. A 40-foot building setback line shall be provided along the northern property line.

16. The applicant provided a Traffic Impact Study prepared by Marc R. Acampora, PE, LLC dated August 23, 2021 for the development of 50.26 acres with 316 dwelling units attached hereto as Exhibit “G”. Any recommendations for improvements shall be required to be shown on the Land Disturbance Permit (LDP). Additionally, as determined by Rockdale County Department of Transportation, a new study may be required for the development. Any recommendations for improvements from any new studies shall be required to be shown on the LDP.
17. The Covenants, Conditions, and Restrictions shall include a clause to limit the maximum number of homes that can be rented or leased within the development at any one time to be no more than 5 percent.

18. On the Final Plat, Covenants, Conditions, and Restrictions for the residential community, there shall be a statement that reads as follows (or generally reads): "It is understood by the residents of this MRU zoned residential community that it is located in an area of Rockdale County, GA where other commercial and industrial land uses are also present and were in existence prior to the development of the residential community. The adjacent and nearby commercial and industrial uses do create noises and sounds commonly associated with those types of land uses and the residents of this residential community are fully aware of the existence of the adjacent and nearby commercial and industrial land uses prior to their purchase of the residential units.”
