Addendum No. 2

ITB No. 21-33
ON-CALL CONTRACT – STORM DRAINAGE INFRASTRUCTURE SYSTEM CONSTRUCTION FOR PUBLIC WORKS STORMWATER PROJECT

November 18, 2021

ITB #21-33 is hereby amended as follows:

1. **Below are questions received and corresponding answers:**

   **A. Question:** At the top-of-the-line items, it states that the price schedule must be submitted in a separate sealed envelope, but the bid package does not mention that requirement. Do the line items need to be submitted separately?

   **Answer:** Since this is a Bid and not a Proposal, you do not have to separate them from each other.

   **B. Question:** Line item #184-7 ft. Dia. Precast CB, has no quantity or unit.

   **Answer:** Use 600 as the quantity and VF as the unit.

   **C. Question:** Bid documents state that the Bid Bond form is attached in Attachment 1. There is no attachment with the bid bond form.

   **Answer:** Bid Bonds will need to be submitted per Task Orders. We do not require them with your bid submittal for On-Call Contracts that will be using Task Orders.

2. All other conditions remain in full force and effect.

3. If a Bid has been submitted and anything in this Addendum causes the bidder to change the item offered or to increase or decrease the Bid price, the new price and/or changes will be inserted below:
