**Addendum No. 5**

**RFQ No. 22-20  
PREQUALIFIED FIRMS TO PROVIDE ON-CALL ENGINEERING SERVICES FOR  
ROCKDALE COUNTY WATER RESOURCES**

**June 8, 2022**

**RFQ #22-20** is hereby amended as follows:

**1. Below are questions received and corresponding answers:**

**A. Question:** After reading the addenda, specifically No. 3, and reviewing the scoring chart for the above referenced proposal, I wanted to clarify that indeed, Rockdale County wants a majority of the pertinent evaluation criteria (resumes and project experience) in the 10% scoring category of Tab 6.

**Answer:** The project descriptions that are being used to show the firms qualifications should be included in Tab 3. Resumes should be included in Tab 6 -supporting documentation.

**B. Question:** We are requesting clarification of project examples. Addendum #2, Question C answers that 3 projects per category should be included in Tab 3. However, Addendum #3, Question E asks if they should be included in Tab 6 and not Tab 3, and the answer is 'Yes, that is correct.' Can the County clarify if the project examples should be in Tab 3, Tab 6, or both? And if included in both, should the projects in Tab 6 be different examples to provide further experience not already shown in Tab 3?

**Answer:** The project descriptions that are being used to show the firms qualifications should be included in Tab 3. Resumes should be included in Tab 6 -supporting documentation.

2. All other conditions remain in full force and effect.
3. All bidders under this Request for Qualifications are kindly requested to acknowledge receipt of this Addendum on page 14 of the RFQ package.
