**ITB No. 22-23
FIELDSTONE PUMP STATION ELIMINATION PROJECT**

June 8, 2022

ITB #22-23 is hereby amended as follows:

1. Below are changes being made to this ITB.

A. Question: I am asking to see if we could have access to the gated area during the Pre-Bid Meeting this Wednesday.

Answer: Yes, ESG will be in attendance for gate access.

B. Question: We would like to see the other ends of the 10” gravity and 4” force main IF those ends are to be cut and plugged.

Answer: The 10” gravity main has already been plugged on the north end, there is no additional work needed on this line. The 4” force main does not need to be plugged at the existing manhole at the south end.

2. All other conditions remain in full force and effect.

3. If a Bid has been submitted and anything in this Addendum causes the bidder to change the item offered or to increase or decrease the Bid price, the new price and/or changes will be inserted below:

4. All bidders under this Invitation to Bid are kindly requested to acknowledge receipt of this Addendum on page 9 of the Bid Package.
