- All blasting shall meet the requirements of Georgia Title 25, 120-3-10, and Rockdale County code of ordinances (www.municode.com).
- Blasting Permit Applications must be submitted to the Fire Marshal's office before inspections can be scheduled.
- The following must be submitted along with the Blast Permit Application:
 1. Federal license (Level III Competency Card)
 2. State Fire Marshal Permit
 3. Certificate of Insurance
 4. Location map and directions
 5. Site Plan showing the location and address of the blast along with any structures or roadway that could be deemed hazardous.
- Owner/occupants of occupied structures within 750' of the blast must be notified of the blast in writing, 48 hours prior to the blast.
- Blasting Permit is valid for **30 days** from the application approval date.
- A record of each blast must be maintained in accordance with Rockdale ordinance [section 18-364](#) and in accordance Chapter 120-3-10 of the Rules and Regulations of the Safety Fire Commissioner of Georgia and per O.C.G.A. §§ 25-2-4, 25-2-17 and 25-8.
- The contractor is responsible for handling, discharging or settling all damage or annoyance claims resulting from the blasting activity.
- Blasting shall be conducted between 8:00 a.m. and 5:30 p.m. unless otherwise approved by the Fire Marshal.

**Application is hereby made to obtain a permit to do the work and installations as indicated. I certify that no work or installation has commenced prior to the issuance of a permit and that all work will be performed to meet the standards of all laws regulating blasting, explosives, or construction in the State of Georgia and Rockdale County. I understand that a separate permit must be obtained for electrical, plumbing, heating, ventilation and air conditioning, pools, signs, etc.
I certify that all the foregoing information is accurate and all work will be done in compliance with all applicable laws and ordinances regulating construction and zoning.**
