

PRIVATE DRIVE

Under code section 6-2011 1 (6) additional requirements may be imposed on developers with Private Drives. We are charged with the safety and well-being of all the citizens of Rockdale County and we fear that our emergency services might not be aware of all the homes built on private roads.

Therefore, all Private Drives shall be named and the owner be required to pay for the street signs. Those persons living on a private road would have an address on the County road, however, all private drives shall be shown on our official road map and designated Private Drives.

All appeals for variance to Private Drive provisions shall be heard by the Board of Commissioners.
