

AN ORDINANCE TO AMEND THE TEXT OF SEC. 218-1 (TABLE OF PERMITTED USES) OF THE UNIFIED DEVELOPMENT ORDINANCE OF ROCKDALE COUNTY, AS AMENDED; TO REPEAL CONFLICTING LAWS; AND FOR OTHER PURPOSES.

WHEREAS, Title 2 the Unified Development Ordinance of Rockdale County (Subpart B – Planning and Development of The Code of Rockdale County, Georgia), as amended, governs land use and zoning; and

WHEREAS, provisions within the Unified Development Ordinance zoning district and standards of use and development, as well as definitions related thereto; and

WHEREAS, provisions within the Unified Development Ordinance pertaining to permitted uses require revision in order to create standardized regulations and criteria governing uses so as to protect the health, safety, and welfare;

WHEREAS, public hearings were held following public notice and all other requirements of Sec. 238-4 of the Unified Development Ordinance;

NOW, THEREFORE BE IT ORDAINED by the Board of Commissioners of Rockdale County, Georgia, and it is hereby ordained by the authority of same as follows:

Section I

That Sec. 218-1 “Table of permitted uses” is hereby amended by deleting the current section 218-1 in its entirety and replacing same with the following:

Sec. 218-1. - Table of permitted uses.

- (a) The uses set forth in the table below shall be permitted only as listed within each zoning district and only in the manner so listed. Any use not listed in said table is prohibited in all districts. No use shall be permitted and no structure associated with such use shall be erected, structurally altered or enlarged unless the use is permitted as one of the following:
- (1) P: A permitted use.
 - (2) C: A use requiring a special use permit subject to approval following the application procedures and requirements in section [chapter] 238 of the UDO.
 - (3) S: A supportive commercial use that is on the same lot or parcel with a permitted use in a zoning district and established for the sole convenience of nearby residents, employees, patients, patrons or visitors within walking distance.
 - (4) A: An accessory use subject to the requirements specified and generally applicable to accessory uses.
- (b) Any use not listed with the letter P, C, S, or A in a particular zoning district shall be prohibited in that zoning district, unless it is a nonconforming use lawfully established prior to the effective date of the regulation that rendered it legally nonconforming. See [chapter] section 234.
- (c) The column headed by the words “section 218-13” in the table below provides the subsections of section 218-13 “Supplemental standards of use and development”. Each use with said subsections in said column shall satisfy the applicable supplemental use standards established in section 218-13 of this chapter, in addition to the development regulations of the district in which it is located.
- (d) Restrictions on the location of telecommunication facilities in certain zoning districts are provided in section 218-24.

- (e) The table of permitted uses for the watershed protection (W-P) district is provided in section 206-1.
- (f) The majority of uses listed in the table below are based on the North American Industry Classification System (NAICS). Where the use is not defined in section [chapter] 106 and where the use has a NAICS code indicated in the table below, the NAICS definition shall apply. For uses that fall within more than one use category, the more detailed definition shall apply (the definition of a six-digit NAICS class usurps the definition of a five-digit NAICS class, the definition of a five-digit NAICS class usurps the definition of a four-digit NAICS class and so on). All remaining uses identified in the UDO are intended to have the commonly accepted definitions contained in the most recent edition of the Merriam-Webster Dictionary.
