

## Bicycle Rack Policy

### I. PURPOSE

To provide the guidelines for installation and accessibility of bicycle racks at buildings, facilities and parks owned and/or operated by Rockdale County, Georgia. The availability of bicycle racks will provide bicycle parking areas to the public and promote bicycle use throughout the community.

### II. APPLICABILITY

The Department of Recreation and Maintenance will establish a schedule to provide for the estimated dates for installation of bicycle racks at the buildings, facilities and parks owned and/or operated by Rockdale County, Georgia.

### III. BICYCLE RACK SPECIFICATIONS

- Bicycle racks will be installed at buildings, facilities and parks owned and/or operated by Rockdale County, Georgia, at the time specified by the schedule established as set forth in this policy.
- The number of bicycle rack spaces will be determined by traffic patterns and location.
- Bicycle racks will allow for a frame and at least one wheel of the bicycle to be locked to the rack.
- Bicycle racks will allow front-in and back-in parking.
- Bicycle racks will have the ability to accept various types of bicycle frame sizes and styles.
- Bicycle racks will allow for the use of a cable as well as U-type locks.
- Bicycle racks will provide adequate spaces for multiple bicycles.

### IV. POLICY CHANGE

The Rockdale County Board of Commissioners reserves the right to delete, modify, amend, or repeal this policy at any time with or without prior notice.

Adopted this 28 day of October, 2014.

Rockdale County, Georgia  
Board of Commissioners

By:   
Richard A. Oden, Chairman

Attest:

  
Jennifer Rutledge, County Clerk
