Addendum No. 2

**ITB No. 22-42
Tennis Court Resurfacing – On-Call Contract**

January 17, 2022

ITB #22-42 is hereby amended as follows:

1. Below are questions received and corresponding answers:

A. Question: Could you please clarify how many coats of black resurfacer and how many coats of color goes on each tennis court being resurfaced. Does the playing area get one extra coat? The specs are a little confusing.

Answer: Traditionally 1 black coat is applied, and 2 coats of color are applied. 2 coats of black would apply if pressed concrete were being treated.

2. All other conditions remain in full force and effect.
3. If a bid has been submitted and anything in this Addendum causes the bidder to change the item offered or to increase or decrease the bid price, the new price and/or changes will be inserted below:

4. All bidders under this Invitation to Bid are kindly requested to acknowledge receipt of this Addendum on page 12 of the Bid Package.
