Addendum No. 3

**ITB No. 23-01
Pond Maintenance Services for Stormwater**

February 27, 2023

ITB #23-01 is hereby amended as follows:

1. Below are questions received and corresponding answers:

A. Question: On the bid pricing sheet it asks for a unit price and amount price. Is the amount it's asking for the number of units per item. Also is the county supposed to give out the amounts of units per item.

Answer: For each (single) items, the unit price and amount will be the same. If not, then the amount will be the number of units X the unit price.

B. Question: On the pond sheet that was given out on addendum #2 the top says "the list is not all inclusive of Rockdale ponds" does that mean there will be more than 36 ponds cut this year. Also, on the pond pricing sheet it asks for a unit price and amount again is the county supposed to provide the amount of ponds in each tier and sub tier levels?

Answer: More than 36 is a possibility. The County does not provide the amount of ponds.

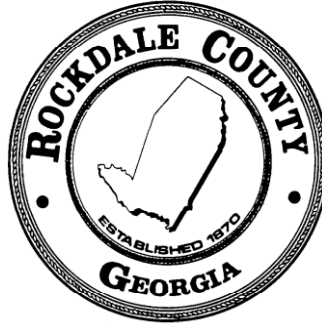

2. All other conditions remain in full force and effect.

3. If a bid has been submitted and anything in this Addendum causes the bidder to change the item offered or to increase or decrease the bid price, the new price and/or changes will be inserted below:

4. All bidders under this Invitation to Bid are kindly requested to acknowledge receipt of this Addendum on page 13 of the Bid Package.
