Addendum No. 3

RFP No. 23-06

**STANDBY CONTRACT: DEBRIS REMOVAL FOR EMERGENCY MANAGEMENT
AGENCY**

May 25, 2023

RFP #23-06 is hereby amended as follows:

Below are questions received and corresponding answers:

1. **Question:** Will annual contract price increases based on Consumer Price Index (CPI) be allowed?

Answer: Yes

2. **Question:** Are the 4 additional 1-year terms renewed at the consent of both parties?

Answer: Yes

3. **Question:** Are there any pre-identified DMS locations? If so, can you please provide the locations?

Answer: There are no pre-identified DMS locations currently. In the past, we have utilized space surrounding our 911 towers to manage and quantify debris.

4. **Question:** Will the payment for limbs be for the cut only and placement of debris safely onto the ROW for collection?

Answer: Per line item 8 on the fee schedule, Trees will be evaluated by the County and designated to be cut down and hauled to the TDSRS or alternative site for removal. The price provided by the vendor should be based on diameter and the fee to cut the tree.

1. All other conditions remain in full force and effect.
2. If a proposal has been submitted and anything in this Addendum causes the contractor to change the item offered or to increase or decrease the proposal price, the new price and/or changes will be inserted below:
