Addendum No. 1

ITB No. 23-22

**ROCKDALE WATER TREATMENT PLANT REMOVAL, INSTALLATION &
REBUILD OF 2 HIGH SERVICE PUMPS & MOTORS**

October 24, 2023

ITB #23-22 hereby amended as follows:

1. Below are questions received and corresponding answers:

A. Question: Will a Utility Contractor's License be required for this project?

Answer: There are no specific licenses required. However, the ITB requires that they should be experienced personnel to perform this work IE: pump repair personnel. These pumps run on 4160 volts AC, and this requires a certified medium voltage electrician or certified motor repair personnel.

B. Question: Warranty and/or Guaranty – On page 3 there is a section where the bidder should fully explain “the condition of Warranty and/or Guaranty.” Please clarify what are the expectations.

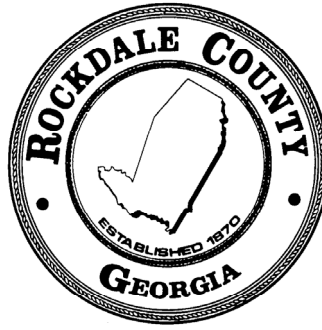

Answer: We are looking for a 12-month warranty on all parts, labor, installation, machining, motor electrical and electrical connections. The Warranty is expected to start after installation, vibration testing. To begin after acceptance by RWR Staff

2. All other conditions remain in full force and effect.

3. If a bid has been submitted and anything in this Addendum causes the bidder to change the item offered or to increase or decrease the bid price, the new price and/or changes will be inserted below:
