Addendum No. 5

**RFP No. 23-29
FIRE TRAINING CENTER SITE CONSTRUCTION
SERVICES**

March 22, 2024

RFP #23-28 is hereby amended as follows:

1. Below are questions received and corresponding answers:

A. Question: Can you tell me if the entrance is asphalt paving or concrete apron on sheet C-2.00? Is it to be quoted as HD asphalt as it isn't shaded the same? If not, HD asphalt I need to know the paving specs for this section as there is no other asphalt paving details.

Answer: The entrance to the site is proposed to be paved with heavy duty asphalt. A different hatch is shown within the right of way since there are different requirements for paving within the right of way.

2 ASPHALT PAVING WITHIN RIGHT-OF-WAY
NOT TO SCALE

2. All other conditions remain in full force and effect.
