Title.**

The Authority shall acquire the Land and pay the costs of issuing the Bond with the proceeds of the Bond in accordance with the Resolution.

The Authority and the County acknowledge and agree that they have each been given the opportunity to conduct due diligence on the Land.

The Land shall be titled in the name of the Authority. However, the Authority shall transfer the Land to the County or to another entity at the direction of the County pursuant to Section 6.4.

Section 4.2. Excess Bond Proceeds.

After the Land has been acquired and the costs of issuing the Bond have been paid, the excess Bond proceeds (if any) shall be applied to the first interest payment on the Bond.

ARTICLE V.

EFFECTIVE DATE OF THIS CONTRACT; DURATION OF TERM; CONTRACT PAYMENT PROVISIONS

Section 5.1. Effective Date of this Contract; Duration of Term.

This Contract shall remain in full force and effect from the date of its execution and delivery to and including the later of (a) December 1, 2039 or (b) the date the Bond and the fees and expenses of the Fiscal Agents shall have been fully paid or provision made for such payment, whichever is later, but in no event later than 50 years from the date hereof.

Section 5.2. Contract Payments.

(a) The County agrees to pay to the Authority (or its assignee or designee) amounts sufficient to enable the Authority to pay all amounts due and owing under the Bond, including, but not limited to, the principal of and interest on the Bond and the prepayment premium (if any), whether by maturity, prepayment or otherwise. The Authority has assigned the Contract Payments to the owner of the Bond, and the County consents to such assignment. The Authority hereby directs the County to make the Contract Payments directly to the Sinking Fund Custodian unless the Authority, the County and the owner of the Bond shall provide otherwise pursuant to Section 208 of the Resolution; provided, however, that upon and Event of Default, the Authority shall establish a Sinking Fund and the County shall deposit all amounts due and owing under the Bond into such Sinking Fund.

(b) The County also agrees to pay the reasonable fees and expenses of the Fiscal Agents as provided by Section 604 of the Resolution, such reasonable fees and expenses to be paid directly to the party to whom the payment is due when such reasonable fees and expenses become due and payable.

(c) In the event the County should fail to make any of the payments required in this Section 5.2, the item or installment so in Default shall continue as an obligation of the County until the amount in Default shall have been fully paid, and the County agrees to pay the same with interest thereon at the rate borne by the Bond, to the extent permitted by law, from the date thereof.

(d) The County shall have and is hereby granted the option to prepay from time to time payments due under this Contract, but only in accordance with the provisions of the Resolution permitting prepayment of the Bond, in amounts sufficient to pay or cause to be paid the Bond in accordance with the provisions of the Resolution.

Section 5.3. Obligations of the County Hereunder Unconditional.

The obligations of the County to make the payments required in Section 5.2 and other sections hereof and to perform and observe the other agreements contained herein shall be absolute and unconditional and shall not be subject to any defense or any right of setoff, counterclaim or recoupment arising out of any breach by the Authority of any obligation to the

County, whether hereunder or otherwise, or out of any indebtedness or liability at any time owing to the County by the Authority. Until such time as the principal of and interest and prepayment premium (if any) on the Bond shall have been fully paid or provision for the payment thereof shall have been made in accordance with the Resolution, the County (a) will not suspend, abate, reduce, abrogate, diminish, postpone, modify or discontinue any payments provided for in Section 5.2 hereof, (b) will perform and observe all of its other agreements contained in this Contract and (c) will not terminate the Contract or its obligations hereunder for any contingency, act of God, event or cause whatsoever, including, without limiting the generality of the foregoing, the occurrence of any acts or circumstances that may constitute failure of consideration, commercial frustration of purpose, any change in the laws of the United States of America or of the State or any political subdivision thereof or any failure of the Authority to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with this Contract. Nothing contained in this Section shall be construed to release the Authority from the performance of any of the agreements on its part herein contained, and in the event the Authority should fail to perform any such agreement on its part, the County may institute such action against the Authority as the County may deem necessary to compel performance so long as such action does not abrogate the obligations of the County contained in the first sentence of this Section.

Section 5.4. Levy for Contract Payments; Lien on Economic Development Tax Moneys.

(a) The County may make the Contract Payments from any legally available funds. In the event that the County does not have sufficient legally available funds to make the Contract Payments, the County shall levy an ad valorem tax, limited to one mill (or such higher rate as may hereafter be authorized by law), on all property located within the County subject to such tax in the amounts necessary to make the Contract Payments.

(b) The County hereby creates a first and prior lien superior to all other liens on the Economic Development Tax Moneys in favor of the Authority in order to secure its obligations under this Contract. The County has not created any other liens on the Economic Development Tax Moneys and shall not create any other lien on the Economic Development Tax Moneys, except as set forth in (c) below.

(c) The County may create liens on the Economic Development Tax Moneys on a parity with the lien created thereon pursuant to this Contract in connection with any Additional Contracts entered into pursuant to Section 5.5 hereof. The County may also create liens on the Economic Development Tax Moneys that are subordinate to the lien created thereon pursuant to this Contract.

Section 5.5. Additional Contracts.

The County shall not enter into any Additional Contract unless the maximum amount capable of being produced by the Economic Development Tax Moneys (using the most recent tax digest and Millage Limitation) is at least 1.20x the amount needed to pay the maximum annual payments required by this Contract, all existing Additional Contracts, and the

proposed Additional Contract as evidenced by a certificate of the County's Chief Financial Officer or Financial Advisor.

Section 5.6. Appropriation Obligation.

In order to make funds available to pay the Contract Payments, the County shall in its general revenue, appropriation and budgetary measures include sums sufficient to timely pay the Contract Payments; provided, however, that if there is an actual or projected deficiency in legally available funds in any year to make the Contract Payments in full, the County shall impose the levy authorized in Section 5.4(a).

Section 5.7. Enforcement of Obligations.

The obligation of the County to make Contract Payments under this Article may be enforced by (a) the Authority, (b) the owner of the Bond, independently of the Authority, or (c) such receiver or receivers as may be appointed pursuant to the Resolution or applicable law. The covenants and agreements hereunder, including specifically the obligation to make the Contract Payments, shall be enforceable by specific performance; it being acknowledged and agreed by the Authority and the County that no other remedy at law is adequate to protect the interests of the parties hereto or the interests of the owner of the Bond.

ARTICLE VI.

SPECIAL COVENANTS

Section 6.1. Further Assurances and Corrective Instruments.

The Authority and the County agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for carrying out the expressed intention of this Contract.

Section 6.2. Authority and County Representatives.

The County agrees to perform all of its obligations (if any) under, and to comply with all of the terms of, the Resolution.

Section 6.4. Release of Land.

The County shall be responsible for the development of plans for the use of the Land as a permitted "project." The ultimate use of the Land may require that the Authority transfer title of all or a portion of the Land to the County or to another entity designated by the County. The Authority shall transfer such Land to the County or its designee at the written request of the County. The County shall pay for all costs of such transfer. The County shall direct the use of Land sale proceeds.

Section 6.5. Provisions Respecting Insurance.

The County shall insure the Land in the same manner that it insures its other real property, including, without limitation general insurance. The Authority shall be named as an additional insured on all general liability insurance policies covering the Land.

Section 6.7. Maintenance of the Land.

The County shall keep the Land well maintained.

Section 6.8. Release and Indemnification Covenants.

(a) To the extent permitted by law, the County hereby agrees to release the Authority from and to indemnify the Authority for any and all liabilities and claims against the Authority arising from the issuance of the Bond and the ownership of the Land, including without limitation, (i) any condition of the Land, (ii) any breach or Default on the part of the County in the performance of any of its obligations under this Contract, (iii) any act or negligence of the County or of any of its agents, contractors, servants, employees or licensees, or (iv) any act or negligence of any assignee or lessee of the County, or of any agents, contractors, servants, employees or licensees of any assignee or lessee of the County or (v) any material statement or omission by the County in connection with the sale of the Bond. Upon notice from the Authority, the County shall defend the Authority in any such action or proceeding. In addition, to the extent permitted by law, the County agrees to release the Fiscal Agents from and to indemnify the Fiscal Agents for any and all liabilities and claims against the Fiscal Agents arising from the issuance of the Bond and the acceptance or administration of the duties of the Fiscal Agents under the Resolution.

(b) Any one or more of the parties indemnified in this Section 6.8 shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such parties unless the employment of such counsel has been specifically authorized by the County.

(c) Notwithstanding the foregoing provisions of this Section 6.8, the County shall not indemnify the Authority or the Fiscal Agents for any claim or loss arising as a result of the gross negligence or willful misconduct of the Authority or the Fiscal Agents or for any claim that the County is prohibited by law from providing indemnification to such party.

(d) For purposes of this Section 6.8, all references to the Authority and the Fiscal Agents shall include their present and future directors, officers, members, agents and employees.

(e) The provisions of this Section 6.8 shall survive the termination of this Contract.

ARTICLE VII.

EVENTS OF DEFAULT AND REMEDIES

Section 7.1. Events of Default Defined.

The following shall be "Events of Default" under this Contract and the terms "Event of Default" and "Default" shall mean, whenever they are used in this Contract, any one or more of the following events:

(a) Failure by the County to make the payments required to be paid under Section 5.2 hereof.

(b) Failure by the County or the Authority to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in subparagraph (a) of this Section 7.1, for a period of 30 days after written notice specifying such failure and requesting that it be remedied is given to the defaulting party by the nondefaulting party, unless the nondefaulting party shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice be such that it cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective action is instituted by the defaulting party within the applicable period and is being diligently pursued until the Default is corrected.

(c) Any representation or warranty made in this Contract shall be found untrue.

(d) The occurrence of an Event of Default under the Resolution.

Section 7.2. Remedies on Default.

Whenever any Event of Default referred to in Section 7.1 hereof shall have happened and be continuing, the nondefaulting party or the owner of the Bond may take any action and pursue any remedy available under the laws of the State, including, without limitation, bringing an action for specific performance pursuant to Section 5.7 hereof; provided, however, the owner of the Bond shall not have the right to accelerate the principal of the Bond.

Section 7.3. No Remedy Exclusive.

No remedy herein conferred or conferred in the Resolution is intended to be exclusive of any other remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Contract or the Resolution or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to exercise any remedy, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Article.
