VARIOUS TYPES OF EMERGENCY VEHICLES**

**May 20, 2024**

**ITB #23-16** is hereby amended as follows:

**1. Below are questions received and corresponding answers:**

**A. Question:** Can you clarify what you are referencing on the Bid Form for item #13, Additional Material Markup? Is it the County's intention to get a percentage markup for other equipment or materials not listed? Or are you asking us to price out installation consumables (items like connectors, wiring, etc)? We need to know specifically what to price out for #13.

**Answer:** Yes. To clarify, in Section 13." Additional Material Markup" we are asking the amount of percent markup on any additional items/materials not accounted for or listed in the above descriptions that may come up during the course of the installation.

2. All other conditions remain in full force and effect.
3. If a bid has been submitted and anything in this Addendum causes the bidder to change the item offered or to increase or decrease the bid price, the new price and/or changes will be inserted below:
