

**About BTS:**

Break-Thru Solutions (BTS) Janitorial Supply, headquartered in metro Atlanta, offers high-quality janitorial, safety supplies and equipment to public and private sector businesses. Our hallmark, over our 30 years of experience has been to partner with our clients and customers. To accurately assess their needs and deliver the highest quality supplies and equipment, with an unmatched level of customer service. Over the years, **BTS** has successfully bid, won, and completed government contracts that involved sourcing and supplying large quantities of products to customers. In addition, we have formulated unique products, installed dispensing systems, and provided one-on-one green cleaning consulting and training. **BTS's** goal is to create a sanitary, safe, and healthy environment for our customers, their clients, employees, and families.
