Addendum No. 6

**ITB No. 24-15
COURTESY PARKWAY EXTENSION FROM
FLAT SHOALS RD TO OLD COVINGTON**

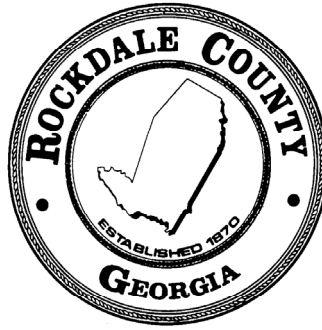

October 2, 2024

ITB #24-15 is hereby amended as follows:

1. **A REVISED BID SCHEDULE IS ATTACHED TO THIS ADDENDUM AND MUST BE SUBMITTED WITH BID.**
2. **USE THE ATTACHED REVISED DOCUMENTS IN ADDITION TO THE DOCUMENTS PREVIOUSLY POSTED IN ADDENDUM NO. 5**
3. **Below are statements clarifying the revisions attached:**
 - **Typical sections (05 series sheets) have been revised to clarify the intent of the contractor to choose between two paving alternatives for Courtesy Parkway. The bid schedule has been revised to show quantities labeled “ALTERNATE 1” and “ALTERNATE 2”. The contractor shall include quantities for either “ALTERNATE 1” or “ALTERNATE 2” in their bid, but not both.**
 - **Staging plans (19 series sheets) have been revised to show the position of the temporary barrier without time restrictions. As noted in special provision 150.6, temporary barriers may be used for closure of inside shoulders as needed to reconstruct the concrete median barrier on I-20. Temporary barriers may only be used for single inside lane closures at the times specified in Special Provision 150.6. Special provisions 150.6 and 108.08 have also been revised to include double lane closures in the specified times only to allow for protective platform work. Contractors shall follow guidance in Special Provisions 150.6 and 108.08**
 - **Changes to the bid schedule have been noted by making the “Item #” text bolded.**
4. All other conditions remain in full force and effect.
5. If a bid has been submitted and anything in this Addendum causes the bidder to change the item offered or to increase or decrease the bid price, the new price and/or changes will be inserted below:
